LHPOA SPECIAL ROAD USE PERMIT APPLICATION

It is provided in the LHPOA Rules & Regulations, Article II, Section 5 that a SPECIAL ROAD USE PERMIT (SRUP) may be issued to waive road weight requirements specified in Article II, Section 2.

SRUP waiver of road weight requirements does not absolve the permittee(s) from the financial responsibility for damage caused by the overweight vehicle.

Impact Fee is a fee required for all projects needing specialized oversized or overweight equipment. The fee is \$300.00 per each oversized/overweight equipment brought through the LHPOA gate. **Weight tickets are required at gatehouse.**
