President's Remarks:

“LET’S GET STARTED!”

These are the words with which I ended the Reorganization Meeting on March 30th. I’d like to use this month’s newsletter to explain what these words mean to me. At the Reorganization Meeting, three new members (including myself) were added to The Lake Heritage Board of Directors and new officers were elected by that Board. In essence, we created a completely new Board. The work this Board will accomplish started at that meeting. We can not change the past. We can only move forward. I have nothing but great things to say about the Boards of the past but, with respect to them, I believe you (the members) have elected a powerhouse Board for this coming term! We are all motivated and excited to put the work in this year. I have absolutely no doubt that we will be turning over a better Lake Heritage and a better Association to the next Board. We have a lot of work to do which can only be done through forward thinking. Improvements can not be made by living or dwelling on the past. The work starts now:

“LET’S GET STARTED!”

I ran my recent campaign on openness and transparency, and I plan to fulfill that promise. I have no doubt the other members of the Board are just as motivated to increase the trust between the members and the Board. Over the next few weeks and months, you should start to see new avenues for releasing information and for community members to offer their input. To start, I will be holding a “Walk & Talk” on Sunday April 16th at 10:00am (rain date TBA.) This is not an official meeting or even an official event. I will simply be checking out the new Children’s Garden (next to the dog park and softball field) that morning, and at 10:00am I will start walking around the public area. I invite anyone and everyone to come join me. This includes but is not limited to members, spouses, employees, Board members, and family members. Come get some fresh air and exercise, and we can talk about whatever is on your mind. It can be related to the Lake and our community, or not. Bring your dogs, bring your kids, and please bring water. Next month, we’ll have a Chew & Chat (location and time TBA) for anyone that wants a more sedate opportunity to talk, too.

I hope to see you at The Children’s Garden on April 16th at 10:00am!

Community Manager Report

Hello, Lake Heritage!

Happy April! Entering into this new fiscal year, there are changes to occur. To start, Building Permit fees will be increased to \$35, Building Inspection fees are now \$115 and a Resale Certificate is now \$100.00. Another change is that I have been appointed Secretary for the year. This does not make me a voting member of the Board of Directors, I have been given the duties of keeping the minutes of meetings and being the custodian of the corporate records of Lake Heritage.

I would like to take the time to thank previous Board Members, Keith Ballantyne, Tanya Keller and Mike Waller. They were ¾ of the Board Officer team when I started at Lake Heritage in May 2022. I am grateful to have been given the opportunity to work with them along with the other members of the 2022 Board of Directors.

Thank you Tanya and Mike for maintaining the Office duties during the time where there were no staff, followed by then training our previous Community Manager and myself. In the next few weeks, my goals are to hire an Admin Assistant for the office, begin the hiring of Lifeguards and planning for our 2023 Pool Season. These hirings will continue with or without LHPOA moving forward with an Association Management Company.

I look forward to working with our new Board of Directors this year. I am hopeful that together, with the membership, we will better Lake Heritage as a whole. I have heard many comments about how things were done here in the past, some good things, others not so good, and while I appreciate the history of Lake Heritage, the only thing that stays the same is that everything changes. Progress is inevitable, let's make the tomorrow of Lake Heritage better than it was yesterday.

As the weather begins to become warmer and brighter, Spring cleaning and outdoor maintenance begins; please be mindful of the following:

- When mowing, mow away from your swales and/or the lake.
- Fertilizer containing Phosphorus should not be used within Lake Heritage, this includes *natural phosphorus*. If you outsource your landscaping needs, please ensure the businessperson maintaining your yard is aware and is not using phosphorus fertilizer.
- Brush Drop Off will begin this month, please keep in mind that limbs larger than 3 inches in diameter, grass or garden clippings/leaves, lumber/plywood and root clumps are not accepted.
- Kayak Racks are now available for use located in various rec areas. They are first come first serve and should serve as temporary storage for your canoes, kayaks, SUP.
- Boater Safety! Please refer to LHPOA's and PA Fish and Boat Commission's basic rules of good boating practices. There will be a Boat Safety Course offered to members on Saturday, April 29th. Email the office to RSVP for the event.

The next meeting of the Board of Directors will be on Friday, April 14th at 7:00 pm. This meeting will be in person and on Zoom, more details will be sent out in an email blast.

Until next month,

Taylor Eiker

Lake Heritage Property Owners Association Treasurer's Report

I want to take a moment to thank those I worked with during my time as Treasurer, Members of the Finance committee who provided a firm background into the established finances of the Association. There is much institutional knowledge within that committee on the legacy of past financial positions and decisions. Rick Franzese, Tom Gary, Ron Brown, Betsy Meyer, Dick DeHaan, Doug Rudisill, Mike Lawn, Steve Dwyer, and Jay Schmitt. Their input and guidance was invaluable.

The Association is in a good spot when it comes to its finances. \$1.2 Million, is currently with ACNB who are investing on behalf of the association. As at the end of Feb the return on CD investments is between 4.8% - 5.15%. The last year has seen revenue increasing, as well as some delinquent accounts being settled without the need for court action. There are still some major outstanding delinquent accounts which have yet to be settled, an ever on-going task. Staff are paid, the lights have been kept on, and there is money in the bank

Thank you,
Mike Waller

Lake Heritage Election Night 2023

Story and Photos by Pete Vogel

At 6:00 PM on the night of March 15, 2023, the Nominating Committee: Tanya Keller - Chair, Jeff Bristol, Linda Helsey, Doug Rudisill, and Mike Waller, gathered in the Community Center to sort and count the 347 ballots submitted by the Membership to see who the winners of the 3 open slots on the Board of Directors were.

There are 4 phases of the ballot counting process. First, the ballots were opened then they were separated by lot number. Next, they were checked to see if they were from Members in good standing. Then the count began. They were read in groups of 40 by Community Manager, Taylor Eiker. As she read them each member of the Committee kept a tally. After each group of 40 they checked to see that each person's tally agreed. Then the big news - the winners were Rich Dooley with 258 votes, Alan Kwiatkowski with 238 and Tom Reidenbach with 188.

The winners were called and gave the following reactions. Top vote-getter Rich Dooley said, "I'm looking forward to serving our community over the next three years. I'd also like to offer my sincere thanks to the Membership for its trust and support. Let's get started!" Alan Kwiatkowski reaction was, "Being offered a new responsibility is undoubtedly a reason for celebration. That being said, serving the Lake Heritage Community is a privilege. I am humbled and honored that members have put their faith and trust in me." Tom Reidenbach was more restrained, "I was excited but still a bit leery. I know that you can't please all the people all the time."

When looking at the issues facing Lake Heritage today, Dooley spoke of improving communications and increasing member input. Kwiatkowski and Reidenbach mentioned the possibility of bringing in a management company. Alan said, "One of the biggest issues facing Lake Heritage today is deciding how our community should be managed. Board members must research and discuss all aspects of community management." Tom had similar feelings, "I feel that one of the biggest issues is the current outside management company issue. What has transpired caught a lot of residents and some Board members by surprise. It seemed like this issue was being rushed to completion without members having any knowledge or information on what was going on."

Our new Board Members were sworn in at the Reorganization Meeting on March 31. What remains to be seen is who will hold the new vacancy created by the recent resignation of former Board President Tanya Keller. That will be decided by the Board in the near future.

Reorganization Meeting 2023

Article and Photo Submitted by Pete Vogel

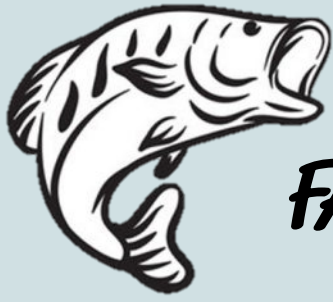

Newly elected Board Member, Rich Dooley, was elected President of the LHPOA Board of Directors at the Annual Reorganization meeting held on March 30, 2023. He pledged for better communication with the membership among other things to improve the quality of life at Lake Heritage.

The Reorganization meeting is held each year to swear in the newly elected members fill the officers of the board. Along with Rich Dooley, newly elected Board members Alan Kwiatkowski and Tom Reidenbach were sworn in.

The new Officers for 2023-24 are Phil Gomer 1st Vice President, Richard Ginnever, 2nd Vice President, Alan Kwiatkowski is our new Treasurer and Jake Schindel was made Assistant Treasurer. Taylor Eiker was appointed Secretary to the Board. This represents a significant change from previous years. The positions of Second Vice President and Assistant Treasurer are new positions. A major change is making our Community Manager, Taylor Eiker, Secretary. In the past, this was done by an elected Board Member. At a discussion held last week, it was determined that since Taylor records the meetings, she is best qualified to perform the Secretarial duties. With that said, she is not a voting member of the Board.

In other business, the Board voted to authorize our Safety and Security officers to enforce all motor vehicle and boating regulations, they voted in our Accounting and Legal Counsel, appointed members to the Fines/Suspension Review Board. They also authorized the following clubs for 2023-24: The Fishing Club, Women's Club, Ski Club, Creativity Club, Fun and Fitness Club, Bridge Club and Kids Club.

Still to be determined by the new Board are the Committees and their Chairs. This will be determined in the next couple of weeks in time for the annual membership meeting on Friday, April 14.

Fun N Fitness

Fun N Fitness Thanks Dave & Pat Diehl

The Fun N Fitness group expresses appreciation for the many years of dedicated service given by Dave and Pat Diehl. As they step back from the day-to-day leadership of the club, they remain active participants.

Our Land and Water Fitness Club began as the Lake Heritage Swim Club. Dave requested and received Board approval for the establishment of the Swim Club in July 2009. The stated purpose and benefits of the club promoted health and fitness through water aerobics and fitness swimming. The Land part of the Fitness Club began in November 2014. Members of the aquatics class wanted to continue their exercise routine throughout the year. Dave and Pat again stepped up and began indoor exercise two days a week. Under Dave's leadership, our club continued to grow and now provide both land and water classes three days a week. Dave and Pat's committed effort is the reason our club can offer "Fitness for Life". Thank you very much.

In February, the Fun N Fitness group held 12 classes with 122 participants. We have plenty of room for more people - you are invited to observe or participate at any time. We meet in the Community Center on Monday, Wednesday, and Friday from 10 AM to 11 AM. We offer low impact aerobics and seated resistance exercise. Classes are FREE.

*No Fun N Fitness on Friday, April 7 in observance of Easter weekend. Class will resume on Monday, April 10.

Lake Heritage Ski Club

Good Day Lake Heritage!

The Ski Club would like to congratulate the newly elected Board members (Rich Dooley, Alan Kwiatkowski & Tom Reidenbach). Additionally, we would like to thank Tanya Keller for her dedication and service to the community and the Board of Directors.

As the warm weather approaches, and the lake begins to fill, we are all getting excited for the summer and some fun on (and off) the water! On March 17th The Ski Club held its St. Patricks Day Meeting at the community center. Loads of Irish spirit, a lot of green wear and some seriously amazing corned beef and cabbage were enjoyed by all! As we gear-up for the 2023 season, we wanted to share some important event dates with the community regarding our events and plans.

MEETINGS/EVENTS:

- Saturday, May 27 (Point) - Summer Kick-Off Party at the Point - Live Band, Great Food (Including the Ski Club Grill Master's), Drinks and FUN**
- Saturday, July 15 (Shady Grove) - Grilled Chicken (or other) Dinner Summer Fundraiser - Come get a delicious meal for your and the family prepared by the Ski Club for your enjoyment!**
- Sunday, August 13 (Shady Grove) - Learn to Water-Ski and WakeBoard - Learn to Water-Ski or Wakeboard with the Ski Club experts - Ages 7-100 welcome!**
- Saturday, October 28 (Community Center) - Halloween Party - Come dressed in your favorite costume and enjoy music, dancing, games and prizes!**
- 2023 Regatta Ski Show - We'll be working on another awesome and entertaining show filled with world class skits, tricks and acts for your Regatta enjoyment!**

Unfortunately, our 1st Annual Ski Club Snow Ski & Snowboard Day, planned for March 4th at Ski Liberty was cancelled due to lack of SNOW! Mother Nature decided to not be cooperative this year! While participants were disappointed, we will look to do this next ski season, earlier in the year around February.

REMINDER: With the warm weather approaching, we'll be back on the water in no time. I would like to take the opportunity to ask boaters to be mindful of the Slalom Course at the South end of the lake. Please try to not pull tubers or take your boats through the course or through the buoys. They are anchored by lines that can get caught on your prop, snap or be dragged out of place. Fixing and/or repositioning can be challenging. Thank you in advance for your help with this request.

The diversity of our community clubs allows something for everyone, and all add to the great quality of life that we have here at the lake! The ski club welcomes anyone interested in lake activities or who may wish to join for the social and civic aspects we offer. For information on any of our events, or if you would like to join or have more information about the Ski Club please contact: Jeff Bristol at: jeffrey.bristol@gmail.com or Kristy Caywood at: kristycaywood@sbcglobal.net

**Thank you,

April 2023

Final Report for Breeze Newsletter

Hello Fellow Lakers! Springtime is upon us, and along with it comes the beginning of a new fiscal year for LHPOA clubs. The LHPAC Officers schedules have become very tight, so we will not be renewing operations for the 2023/24 fiscal year.

The Winston's Outdoor concert scheduled for June 23, and Frank Hancock's Ballroom Classes scheduled for May 25, June 22 and 29 have been canceled. However, you can still grab some friends and check out **The Wintsons at Mela Kitchen in the theater on April 23, 6-9pm**, and **Frank Hancock's Ballroom Classes** in neighboring towns, and Jam Caravans still a go as individuals. Just meet up and GO! :)

In the words in song of Carol Burnett, "Thanks For The Memories!"

Lake Heritage Women's Club

By Vice President Liz Habermann

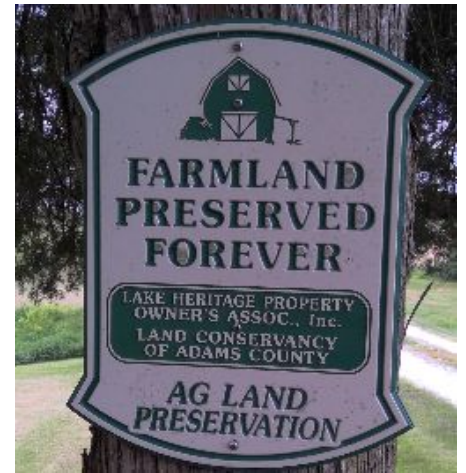

Neither rain, nor snow or dark of night stays the letter person from their rounds, and nor does it slow down members of the Lake Heritage Women's Club. Following a fun and informative presentation in February by Bethany Yingling, Director of the Children's Museum, a program to teach children about the Battle at Gettysburg, many members got the itch to learn about other new museums in the area.

Between March 3 and 10, members of the club participated in two events at the World War II American Experience Museum. The first event was a talk by Susan Eisenhower, granddaughter of Ike and Mamie Eisenhower. In her latest book she contrasts the leadership styles of her grandparents. Everyone who attended was impressed by her family stories and humor. Next up was a docent led tour of the WWII Museum, followed by lunch in the museum's snack bar. The docent shared many stories behind the exhibits.

Sarah Kipp, Director of the Land Conservancy of Adams County spoke at the March meeting to discuss the valuable work of the organization. After showing a film highlighting Adams County's land resources, she shared details about the program, including one preserved farm sponsored by the Lake Heritage community along Low Dutch Road.

The next Red Cross Blood Drive will be April 6, 2023. Contact Ejmeyer99@hotmail.com for more information.

The April Women's Club meeting will include a presentation on the work of the Child Advocacy Center, with a focus on preventing child abuse. The Club meets the second Tuesday of the month at 10am in the large community room.

Important April Women's Club Events

1. The Program Planning Committee has looked into CPR training for Women's Club members at Wellspan Gettysburg Hospital. The 2 hour, non-certified training time is 9:30 - 11:30 AM on Tuesday, May 23. Learn adult and child CPR and how to use the AED's.
2. The next Blood Drive is Thursday, April 6 and there are two WC volunteer jobs that need filling. Please let Betsy know if you can work the check-in desk from 4:15 to 6:00PM and/or help with clean-up from 6:00 to 7:00PM. Also, if you or any Lake Heritage neighbor are interested in donating blood, please come!
3. If any Women's Club member or LHPOA resident likes plants and being outside, the Gettysburg Garden Club would appreciate your help in the annual potting event to dig up perennials on Monday, Tuesday, and Wednesday April 24, 25' and 26 from 9AM to about 1PM. Come when you can or catch a ride with Betsy. Volunteers work at a beautiful farm in Fairfield dividing and potting plants such as cone flower, black eyed Susans, day lilies and others that have been dug up and shared by Garden Club Members for their sale in May. Please contact Betsy Meyer by email if you have interest in any of these opportunities...ejmeyer99@hotmail.com

TAILS FROM THE FISHING CLUB

MARCH 10, 2023 MEETING

Fifty-two members and guests gathered for our “Celebrating St. Patrick’s Day” themed meeting on March 10, 2023. Green clovers and table settings created a welcoming and festive atmosphere at Community Center, which brought out leprechauns, good food, and even background Irish music. Traditional Irish foods included Irish stew and soda bread, several potato dishes and macaroni and cheese, green beans and broccoli, as well as Reuben sliders. The wide array of cookies, cakes and other tasty desserts pleased every sweet tooth in the room.

Club President Steve Oakes ran the business meeting. Treasurer Ernie Clevinger presented the end of February 2023 financial status (spreadsheets were at each table), reporting \$8,270.29 in funds on hand, including \$1,034.95 earmarked for the Club’s Veterans Initiative. Ernie noted the Family Dinner/Bingo Night (February 17) brought in \$1,174 as well as 50/50 raffle and donations to “The Boot”. The Treasurer’s report was approved by the members.

The Secretary’s report of the February 10th meeting was approved by the members. Jeff Langdon won a prize of St. Patrick’s Day chocolate candy coins as “best dressed” for this Irish-themed event. Two “experienced” members celebrating March birthdays received Tastycake green snowball cupcakes, and our single couple celebrating their anniversary in March received green marshmallow peeps.

In old business: (1) No new actions with the Club’s Veterans Initiative funds, but Ernie noted a March 29th event sponsored by the local American Legion to recognize Vietnam Veterans. (2) Steve noted there are openings for hosting duties for the Club’s meetings in May, July and December. (3) Members were reminded Ernie is still collecting 2023 Club dues.

In new business: (1) Bill Bauer summarized the recent Family Dinner/Bingo Night - 81 dinners served, 84 bingo cards sold, and expressed his and Beth’s heart-felt appreciation for all the volunteers who made the event a great success. While there were too many names to identify in this report, the members echoed the hearty thank you to all who supported this fun family event and important Club fundraiser. (2) Linda Griffin reported all is on track with this year’s Scholarship competition. All is on schedule for decisions in April. (3) Ernie reported the Emerson-Greenholt Family Fishing Marathon will be held Saturday, June 3rd. Details will be in next month’s LHPOA newsletter. (4) Steve reminded all that we still need a new lead for the July 4th Pancake Breakfast Fundraiser. Please contact any Club Officer if you are interested in taking the lead on this important event.

The next Fishing Club meeting is Friday, April 21st, 2023. This is one week later than normal, due to the annual LHPOA Membership meeting. Hosts are Tim and Kim Ercole, John and Helen Maffei, Ralph and Sherry Barbaro, and Karen Kaminski.

The meeting was adjourned at 7:40 p.m.
