## Lake Heritage Regatta History Time Capsule

**1977** – First Admiral was Vesta Barrouk, the originator of The Regatta.

**1978** – Admiral was Dianne Pack. Second Admiral was Diane Brogan. A rowboat competition was added to the original line up of events. Attendance was more than 550 for the water events.

**1979** – Admiral was Dianne Pack. Co-Chairman – Dorothy Downing. 3<sup>rd</sup> Admiral was Diane Brogan. A walk/jog/run/skip marathon around the entire lake, and land events in horseshoes, volleyball, softball, tennis, and shuffleboard were added.

**1980** – Admiral was Lois Jean Paulk. Joan Bidlack-Water Events Commander. Charles “Skip” Hockley-Land Events Commander. Theme was Fun & Sun. The Ski Club held their first ski show. The Lloyd Naylor family performed a 3-man pyramid on skis. Pepper, the James Neth family dog, performed a dog act on specially made dog skis. 432 people participated in the 18 events.

**1981** – Admiral was Charles “Skip” Hockley. Commanders were John Kuhn and Shirley Chatelain. Chiefs of Staff were Vesta Barrouk, Diane Pack, and Jean Paulk. Theme was Fun & Sun. Three new events were added to the lineup including a golf tourney and a decorated boat parade. More than 500 entrants participated.

**1982** – The 6<sup>th</sup> annual Regatta was “a huge success” as noted by “lots of favorable publicity to Lake Heritage.” The 21-page program listed 34 crew members. Admiral was Carroll Henning. Land Events Commander-Shirley Chatelain. Marine Events Commander-Michael Walters. Theme was Mardi Gras. Competition was especially keen in the male advanced slalom class with the Knisely family taking the top positions: 12-year-old James-first, father James-second. James Neth took third.

**1983** – Admiral was Kathy Blackwell. Theme was Hawaiian Holiday with a Friday night dance. Funds for trophies and medals were received from the Board and private donors.

**1984** – Admiral was Len Ferrara and theme was “A Mexican Fiesta.” Golf event on Friday ushered in the event. A dance was held on Saturday. New inner tube and triathlon events were added. “A Mexican Gala Celebration” was held at the new Shady Grove Pavilion.

**1985** – Theme of the ninth Regatta was “The Endless Summer Beach Party” which featured the first fireworks, funded by LHPOA members. Athletic, marathon, and fun land and water games, boat parade, and beach party dance. Volleyball court was set up near the pool. Advanced reservations were necessary to attend the crab feast which was a big draw. Lake Heritage T-shirts, hats, and towels were sold as fundraisers for the event. Admiral was Bill Hill. Bill Caywood-Marine Commander. Ray Voyer-Land Commander.

**1986** – Admiral was Amy Gorman. Adult kick-off dinner-dance held at the Gettysburg Holiday Inn plus pre-Regatta dance for teens at the clubhouse. Theme was “Family Picnic” with a catered picnic at Shady Grove. Sunday morning Marathon.

**1987** – Theme was “Christmas in September”. Vickie Karam Smith was Admiral. Top 3 decorated boats received cash prizes. Hazardous weather conditions hindered certain events.

## Lake Heritage, Board President, Rich Dooley's Remarks

I'm writing this month's notes while sitting at The Point on a bright, sunny day with a slight breeze. Our lake and our community are beautiful! While drinking our coffee on our front porch, swimming at the pool, or even driving through town, my wife and I often say to each other, "We live here." It brings a smile to both of our faces every time. We loved our old home and neighbors, but are still absolutely floored at how lucky we are to live in Lake Heritage now. I hope each of you reading this issue of The Breeze has the opportunity to reflect on our collective good fortune.

Much of our good fortune at Lake Heritage is a direct result of the hard work put in by our amazing staff and volunteers! It takes a lot to keep this place running, and our staff is unwavering. We, also, have amazing opportunities to gather as neighbors and friends due to the efforts of our volunteers. Our volunteers also help (through committees and task forces) to plan the path we follow as an association and as a community. If you haven't yet, I warmly invite you to take a look at the different committees and task forces available. They would all truly appreciate your help!

I completely understand that many of us simply do not have the time to commit to a committee or a task force. Your opinions and advice are still needed, though! You may have already received an email, text message, and/or paper ballot from us. We've used a company called Election Buddy to send these ballots out and we would really appreciate your feedback. This poll serves two very important purposes for The Association. One, it allows us to get YOUR input and two, it is a test for our new election system. This is how you will receive your ballot for the Board of Directors election in the spring. Please let the office know if you do not receive an electronic (and/or paper) ballot by the end of September. We've sent them to the address and PRIMARY email listed in AppFolio. You can let the office know if you would like to change the primary email address as well.

I'm very happy with the progress our Association has made over the past few months. There have been some rough spots, but overall things are going great! Please let me know if there is anything more we can be doing. My email is always open: [President@LakeHeritage.org](mailto:President@LakeHeritage.org)

# Community Manager Report

Hello, Lake Heritage!

The last day of the 2023 Pool Season will be Monday, September 4, followed by the Dog Swim on Tuesday, September 5th from 5:00-7:00pm. Come enjoy the pool one last weekend before it closes for the season!

Boat Lot Storage renewals are due by Friday, September 15th. On Monday, September 18th, the Office will review the number of spaces that did not renew for the year and will begin contacting members on the waiting list offering them an available space. If you have questions concerning Boat Lot Storage space, please call the Office.

Since hiring our Operations Supervisor, Chris has been reviewing our annual Maintenance Planner as well as our Capital Works sheet to begin planning ahead for projects that were scheduled or motioned to occur but have not been successfully completed yet and any projects that are upcoming on the lists.

We have also been working on transitioning Access and Patrol's reporting to digital reports for them to complete on their tablet.

If you are a member looking for Patrol to conduct a House Check while you are away, forms can now be submitted directly to the Office, Dropbox or Gatehouse for the Office to add the dates to the digital "Property Checks" form.

In the Gatehouse there is a list of members on the "No Guest List", Tracy is currently going through this list and updating it as needed, if you are interested in joining this list, please contact Tracy at [admin@lakeheritage.org](mailto:admin@lakeheritage.org).

Fall is quickly approaching, and we will soon be drawing down the lake. Any members planning any type of shoreline, seawall or dock projects should plan well in advance, as the approval process with the various entities will take time to complete. All lake front properties planning shoreline, seawall or dock projects need to obtain a general permit from the DEP-WWP.

These types of projects also require an LHPOA permit. When the project is approved a Letter of Compliance is issued to the member. Depending on the scope of the project, the property owner may then be required to submit the plans to the township for a building permit and/or also obtain an Adams County permit. Use the following contact information for questions you may have or to start the DEP-WWP permit process:

Adam Hackenberger

Maintenance will also soon be gearing up to conduct the Leaf Removal Service, this will be done on a bi-weekly occurrence. Once the leaves begin to fall, more information on this service will be provided.

Until next month,

## Loss Assessment – What it Means & the Importance to YOU

What is loss assessment?

If a lawsuit against LHPOA is settled with a payroll that exceeds the Association's insurance limits (currently \$4,000,000), then individual lot owners could be assessed the difference.

Example:

Lawsuit award \$15,000,000

Insurance Pay \$4,000,000

Balance Due from Lot Owners \$11,000,000

The balance due would be divided by the total number of Lake Heritage lots – (914.5)

Result - each lot owner would be liable to pay \$12,028.43.

What can LHPOA Owners do?

Protect yourself by ensuring your homeowners insurance has adequate potential coverage or add a rider that would protect you from a loss assessment. Each insurance carrier and policy vary. Contact your carrier directly for premium information.

# Lake Heritage Staff Appreciation Day

Article and Photos submitted by Dawn Levickas and Pete Vogel

On Saturday August 12 we said "Thank You" to our employees. President Rich Dooley and a team of volunteers from the Pool Committee and First Lake Heritage Volunteer Brigade treated Lake Heritage Staff members to lunch to thank them for their invaluable and varied contributions to our community. It was a warm day so many of them, and their families, enjoyed the pool along with fellowship and free food. The Snack Shack was also relaunched that day after being closed for many years. Lake Heritage residents had the opportunity to purchase lunch. The menu included hot dogs, pizza, walking tacos along with cake and drinks. It was a wonderful day at the pool before the season ended.

## Heartfelt Thanks to Pool Manager Rachel and Our Lifeguards for a Wonderful Pool Season!

Personal Message from our Pool Manager:

What a fantastic 2023 pool season! A million thanks go to our wonderful team of 18 lifeguards who worked hard all summer to keep our pool safe. Thank you also to the Pool Committee, headed by Rene Trybula, who helped out in so many ways this summer, including that lovely wreath (pictured here) that is full of gift cards for all the Guards. Thanks also to our BOD president, Rich Dooley, who helped fix both pools at different times this summer. Finally, a huge thank you and lots of love to all the "pool rats" out there. You are the heart and the soul of the pool! It has been a delight to serve this community as your Pool Manager, and I look forward to many more summers together in the future.

~Rachel Glover

# LH Cleanup Road Warriors were out in Force!

Article and Photos by Matthew Verdirame

A huge party of Lake Heritage Cleanup Road Warriors went out on Saturday, August 12 to do our second road cleanup of this year. We have been sprucing up our two-mile stretch of Route 97 for over 30 years and this was the biggest crew we have had in a long time. We are very grateful for the tenacious volunteers who continue to strive for a clean and beautiful Pennsylvania.

We had many repeat members help as well as some new enthusiastic volunteers show up to keep our corner of Pennsylvania clean and fresh. Lois and John Turner, Dean Sprague, Matt and Ila Verdirame, Bill Horgan and Kevin Senn, Kaleb Dolan and Melinda Dolan were back on the road again. We also welcomed a group of first timers to the adventure. Newcomers this August were Brian and Phyllis French Lin Ackerman, John and Cindy Spinelli, Gloria Serrao, Michelle Pecaitis, Destiny Andrews, and her grandfather Ron, and finally all the way from Pittsburgh, Lee McGarity. This rounded out our crew of 19 workers who were able to collect 15 big bags of trash and 2 full bags of recyclables.

Our next clean up will be Saturday, October 14. Meet at the Shady Grove bulletin board at 7:45am to sign in and get your supplies for a treasure hunt.

Many treasures await, don't miss out. We hope to see you then.

# Learn to Ski with the Ski Club

## Conclusion of 2023 Lake Heritage Scholarships Essays: Maxfield Ma will be attending Haverford College to study Mathematics.

The dazzling fireworks lighting up the night sky, the curious geese watching me attempt to skip stones across the lake, the exhilaration of sledding down the snow-covered dam with my sister, and the thrill of breaking my person record by running around the lake in under seven minutes – these unforgettable memories have made Lake Heritage my cherished home in the past eighteen years. As a child of an immigrant family from China, I feel fortunate to have grown up in such a beautiful place. However, more than anything, I am grateful for the sense of family and community the Lake Heritage has instilled in me and shaping me into the person I am today.

From a young age, I noticed that I did not have any relatives to visit during holidays, unlike my friends who often had big family gatherings. I even asked my parents whether Ann, our neighbor, was my real grandma. She took my sister and me to the creek to catch tadpoles in the summer and taught us how to recognize poison ivy and raise a hermit crab. I will never forget the chill night when she took me to see maple syrup harvesting at Strawberry Hill. Ann always seems to know the most interesting things in the world, and her influence has fostered my strong sense of intellectual curiosity in my own life, whether I was trying to understand how piano keys work or why  $2/0$  could lead to the concept of infinity in mathematics. Although I didn't have an opportunity to spend much time with my grandparents due to various reasons (and, unfortunately, three of them passed away in the past five years), I have been blessed with profound love and wisdom from a grandma figure like Ann.

This kind of experience has also taught me to particularly value meaningful connections with people around me. I appreciate the newspaper clip of my piano performance that someone put in our mailbox, the smiles that our patrol officer or gatehouse staff, like Roselie, gives us whenever we pass by, and the tremendous assistance from many people when my grandpa unexpectedly passed away while visiting us a few years ago. Therefore, for these people who have become an integral part of my Lake Heritage life, I feel great joy when I send a Christmas Greeting to them, invite them to see my musical performance, or volunteer to deliver meals to them. That sense of fulfillment has guided me and will always lead me to contribute to make a positive change in other people's lives.

Another realization that I have had more recently is my heightened awareness of environmental protection. Our lake holds a special place in my heart, but I did not know that it was classified as the most impaired based on its trophic (nutritional) index until the summer of 2015. It was heartbreaking to see that it was covered by a thick layer of toxic algae, and the community was not able to enjoy the lake as we had before. For the first time, the harsh reality of environmental pollution became real to me, and I realized the urgency of protecting our environment. Despite it was only polluted for a brief period, it took a few years for the community to clean up the lake. As the community's efforts have turned the lake into a vibrant part of Lake Heritage again, it also gives me an optimistic outlook on our ability to reverse climate crisis and how we can all be a contributing force in this process.

Lake Heritage has played an essential role in shaping my life, providing me with a deep sense of belonging that I cherish. It has taught me the significance of compassion, generosity, and community, as well as the value of forming meaning connections with others. I am grateful for how it has enriched my life, particularly by instilling in me the strong sense of gratitude, fulfillment, and responsibility to contribute to creating a better world. As I move forward, I will forever treasure the memories and wisdom I have gained from this place and use them to guide me in my future journey.

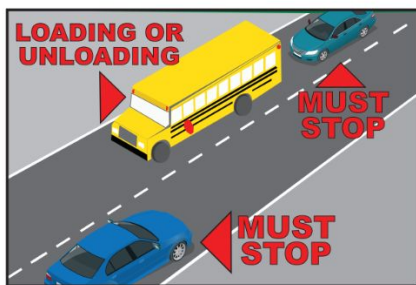

As I prepare for my music career at Haverdord College, I have been working hard to save up funds to purchase an 12.9 inch-iPad Pro (around \$1,800), a key tool for reading sheet music.

Music has always been my passion and a fundamental part of my identity. Over the past 15 years, it has brought me immense joy and taught me values of hard work and perseverance that have led me to succeed in various areas of my life. What I appreciate most is to develop friendship and bring joy to others through music, whether it is spending countless hours rehearsing with my friends, playing at a retirement home's party, or inviting a curious kid to try my violin after a performance in our town square. As I embark on my college journey, I plan to minor in music, continue to play in the orchestra, and seek out opportunities to engage with local communities.

As a musician, my violin and piano pieces have become increasingly complex, often spanning dozens of pages. This presents a significant challenge when practicing or performing, as I need to turn pages seamlessly while maintaining the flow of music. Fortunately, portable devices such as the iPad have proven to be incredibly useful tools for musicians, allowing for smoother page turns and read and annotate sheet music with ease, even in low-light situations (e.g. in the music pit). Therefore, I want to invest in an iPad Pro that will enable me to perform at my best. This scholarship presents a great opportunity to help make my dream come true and promote my music development in a meaningful way.

# Regatta Fireworks Extravaganza Returns!

## Bixler Pyrotechnics Uses Same Firing System as Disney World

Article by Dawn Levickas | Photos provided by Hugh Hynes

Anyone who has lived at Lake Heritage since 2019 can proclaim the Regatta Fireworks Extravaganza as one of the best quality fireworks production shows around. We can thank Mike Bixler of Bixler Pyrotechnics for his company's outstanding display. We can also thank Lake Heritage resident, Hugh Hynes, who, on task assignment then, issued a bid request to Bixler. They, of course, won the job and then again, a year later. It should be mentioned that two of the three companies who provided bids in 2020 would only uphold their pricing for one year. Bixler offered Lake Heritage a 3-year contract at a guaranteed price. That contract expired in 2022, and another bid process then took place. Lake Heritage is proud to have Mike's company perform again.

Bixler Pyrotechnics has been producing professional fireworks shows since 2006. The firing system used by them is the same as the outstanding shows which are featured at Disney World. Mike programs the show which is then controlled by computer. Five people are involved in preparation for the 20-minute show. The total fireworks shell count last year was 2300 in that period! Fireworks can reach as high as 2500 feet with 250-foot radius. Mike and his company are very environmentally conscious, licensed and uphold all required permits and regulations. They are experienced in working with many and varied entities that either have bodies of water or other types of terrain. Further details can be found on their website, <https://www.bixlerpyro.com>.

So, invite your family and friends to enjoy the show with you as we all bid our glorious summer a fond farewell!

# Lake Heritage Ski Club

The Ski Club held its 2nd annual Learn to Water-Ski or Wakeboard and on August 13th. The event was a tremendous success and we introduced 13 new enthusiasts (from children over 7 to young adults) to water skiing and/or wakeboarding. The Ski Club donated instructors, crews, boats and equipment and taught from 9am - 12pm, working in 1 hour shifts. In total, we sent 3 boats out at a time, over the 3 shifts. Each group was given land training and safety instructions, fitted to proper size skis/boards and life vests, and then sent with their boating crew to learn the activity of choice. In most cases, each participant had multiple opportunities to ski or wakeboard during their time slots. A variety of teaching techniques were used, including skiing from the boom, seahorse and deep water starting, and I am happy to report a 100% success rate among our participants. The event provided a great day of fun and satisfaction for both the Ski Club participants and the new enthusiasts as well! The event truly reflects what the Ski Club is about, and we hope that we continue to see great turnouts as we have over the last few years of putting this on! I would like to extend a THANK YOU to the community for helping us have such a successful day by working to minimize your wakes during the event. This was incredibly helpful to our participants, and your efforts were very much appreciated!

We are also busy preparing for the annual Ski Show as part of the Regatta!. This year's theme is Dr. Seuss and the show is going to be awesome!!! By now, I am sure that you have seen the club participants out practicing their routines. These may include multiple water-skiers or wakeboarders behind a boat, various types of pyramids, skiers with climbers, etc. Most practices will be held during the week and in the evenings. The vast majority of our show participants are ski club kids, so if you are on the water and see the club practicing one of the technical acts, your support in minimizing wake for that short period of time is appreciated as we practice to make the show a success!

Lastly, the Ski Club will be investing in a new Slalom Ski Course for the lake for 2024. The cost of the new course will be about \$3000, paid all at the Ski Club expense. This is a significant expense for us, and we are fortunate to be in a position to do so for the club and the community. The Ski Course is the buoys that you see at the south end of the lake, and the course is always open for all lake residents to use. The object is to ski a course of 6 buoys between going through starting and exiting gates at specific speeds and with the rope at specific lengths. Once successfully run, the speed is increased and the rope is shortened, making it more and more difficult each time. As a friendly reminder, please do not boat or pull tubes through the Slalom Ski Course. The ropes or wires holding the buoys in place could become tangled in your prop and cause damage to your boat or to the course. We are lucky enough to have nationally recognized slalom skiers on the lake, and they (as well as slalom enthusiasts) use the course regularly. Thank you for your help and consideration in keeping our course in good shape for these athletes and enthusiasts for years to come!

The ski club welcomes anyone interested in lake activities or who may wish to join for the social and civic aspects of our club. For information on any of our events or if you would like to join or have more information about the Ski Club please contact Jeff Bristol at: [jeffrey.bristol@gmail.com](mailto:jeffrey.bristol@gmail.com) or Kristy Caywood at: [kristycaywood@sbcglobal.net](mailto:kristycaywood@sbcglobal.net)

# Lake Heritage 1st Volunteer Brigade Club

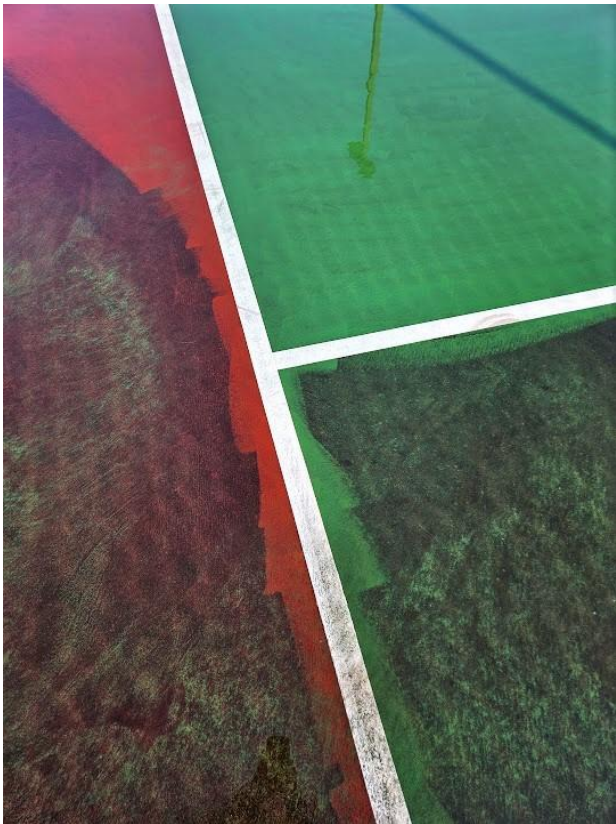

Submitted by Club President, Craig Dresser

The Lake Heritage Volunteer Brigade held our first meeting on Saturday, August 5<sup>th</sup> at the Point, and there were fifteen members in attendance. This was an organizational meeting and after reading the club mission statement, the members elected club officers who will serve a term of one year.

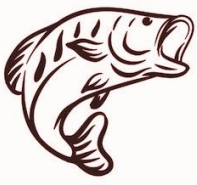

**“The LHVB will support the community by organizing volunteer teams, consisting of members of the community, to complete tasks that enhance the quality of life and property values within The Association.”**

Since our first meeting, club members have completed a number of projects in the community including power washing the tennis and shuffleboard courts including the benches and picnic tables, relocating several picnic tables from Custer Ave. to the Lake View Rec area, cleaning the small room next to the community kitchen, and holding a successful preview opening of the new Snack Shack at the pool. This club is open to all members of the Lake Heritage Community and we invite any recommendations for future projects that meet the clubs mission statement.

# TAILS FROM THE FISHING CLUB

## AUGUST 11, 2023 MEETING

On August 11, fifty-six members and guests gathered to enjoy some of the "Bountiful Harvest" we are so fortunate to have in this country each fall season. The hosts for our monthly meeting ensured the community room reflected this harvest theme, with flowers, plants, garden vegetables and even informative books at each table. The wide array of delicious dishes certainly echoed our theme (and were nearly all gone in short order - we had lots of hungry members at this meeting!). Many dishes incorporated potatoes, squash/zucchini, corn, and tomatoes; there were also traditional items like fried chicken, sausage and peppers, and pasta salads.

Summertime President Matt Verdirame ran the business meeting. Treasurer Ernie Clevinger presented the end of July 2023 financial status (spreadsheets were at each table). He reported \$8,095.38 in funds on hand, including \$1,644.95 earmarked for the Club's Veterans Initiative. The Treasurer's report was approved by the members.

The Secretary's report of the June 9th meeting was approved by the members (there was no business meeting in July). We celebrated a large number of August birthdays and anniversaries, with harvest-themed treats presented to our youngest and oldest birthday celebrants and 3 anniversary couples.

In old business: (1) Ernie reported no new actions with the Club's Veterans Initiative - we are in contact with the Adams County Veterans Affairs Office and will continue to work with them to identify and help veterans in need. (2) Ernie reminded all that he continues to collect Fishing Club dues. (3) Ernie announced the results of the July 4 Pancake Breakfast fundraiser. In some categories, it was the best event the Club has ever hosted. We fed 213, including 24 kids, had lower event costs, and achieved our highest "net" income ever (\$1,254). Attendees donated \$116 to the "Boot" as well. Ernie credited and thanked the many volunteers who made this event a tremendous success. (4) Ila Verdirame reviewed the plan for the August 12th road cleanup. (5) Ernie - on behalf of Agnes Reuter, the coordinator for the upcoming Spaghetti and Bingo Fundraiser - requested volunteers to help with setup and desserts. The event is Friday, October 6. Look for advertising soon on the sandwich board at front gate, and in next month's LHPOA newsletter. All you can eat spaghetti, salad and bread will be available and cash bingo for adults (members and their guests) will follow. Please plan to come out to support this important fundraiser for the Club.

In new business: (1) Leslie Baker noted a very recent decision by the LHPOA Board to have all volunteers sign a release waiver, as the LHPOA does not insure volunteer activity. The Lake Heritage community should expect more information on this issue shortly. (2) Leslie also noted the Women's Club is soliciting recipes for a Cookbook that is under development. The entire Lake Heritage community is welcome to submit recipes. Look for more information in the next newsletter. (3) Ila Verdirame advised that the Women's Club will have a bake sale table at the Regatta Kickoff Event on Friday, September 1. Please support this scholarship fundraiser.

The next Fishing Club meeting is Friday, September 8th, 2023 at Shady Grove. Hosts are Cindalee and Mark Notich, Terri and Scott Zimmerer, and Agnes and Tom Reuter. The theme will be "The Working Man."

The meeting was adjourned at 7:38 p.m.

# Lake Heritage Creativity Club

## Creativity Club Activities Resume!

Article and Photos submitted by President Samantha Richards

Welcome back from the summer fun!

Join the Creativity Club on Tuesday, September 12th at 6:30PM at the Community Center. It's also time to pay Creativity Club dues for the new year session of \$40.

The craft for September is a bird mosaic lawn ornament. It's free for members and \$10 for guests. Bring plates or anything you would like to add to your mosaic. Here are samples of the completed bird projects. We look forward to lots of fun and creativity in the months ahead!

# Fun N Fitness

Welcome to Fun and Fitness Land Exercise, Starting Date: September 18th

Submitted by Robin Robertson

After a very successful Fun and Fitness: Water Exercise program held at the pool this summer, we are ready to stay fit, coordinated, and balanced with a program that combines chair exercises with some standing exercises. Beginning September 18th, Fun and Fitness: Land Exercise will be held on Mondays, Wednesdays, and Fridays from 10-11 am in the big room in the Community Center. There may even be a day each week that begins with Zumba like routines. Most importantly, participants are reminded that they know their bodies the best and should adapt the exercises to meet their needs. This is a program provided by volunteer Kathy Miller, who is president of the Fun and Fitness Club, and is free to anyone who wishes to join us. It is not necessary to come every day. Come when you are able.

Sweat a little and laugh along with us!

Shiloh Cabinetry is built by W. W. Wood Products, Inc., a family-owned company since its beginning in 1977.

We began as a moulding and milled lumber supplier working out of a small shed. Over the years, we evolved and grew to become one of the largest independent suppliers of cabinetry in the country. We have enjoyed steady, robust growth because of our family style of management that allows us to respond quickly to the ever-changing cabinet market. This style of management also focuses on a commitment to quality, driven by the dedicated and hard-working team members throughout the organization.

Shiloh Cabinetry is available in most areas, except the northwestern United States.
