Lake Heritage Board President, Rich Dooley's Remarks

It is hard to believe this will be the last newsletter notes I write for the year! But then I step outside, and the cold reminds me that it is winter. Seeing the spillway's valve open and draining the lake reminds me that the lake season is over, and it is going to get even colder.

The cold brings to mind ideas of family fun inside at the kitchen table with games and homemade soup or on the couch in front of a warm fire. Winter can get pretty long, though, and your Activities Committee (and all our amazing Lake Heritage clubs) are working to plan ways for us to get out of our houses and enjoy each other's company over the next few months! The business of The Association will continue as our volunteer members brave the cold (and maybe the snow?) to participate in committee meetings and your board starts working on the budget for next year. Meanwhile, our astounding staff will ensure this year's bills are getting paid, the roads are clear, and our neighborhood is secure. Our community is made better every day by the hard work of these men and women, and I couldn't be more thankful for them!

I'll see you on the sledding hill when the snow starts falling. Until then, I wish health and happiness to all of you and your families during this holiday season!

Community Manager Report

Hello December, Lake Heritage!

In recent weeks, the 2022/2023 Fiscal Year Audit has been underway. We also had a visit from the Falcon Group who will be updating our Capital Reserves report, last revised in 2017.

As the Board begins determining the dues and assessments, and budget for our upcoming fiscal year, Chris and I are also planning for major projects/tasks we anticipate to begin and accomplish in the new year. Our biggest goal is to begin improving the amenities of our Community. We have plans for the Pool area as well as other empty Rec Areas we envision being utilized as a Kayak Launch area and an Additional Boat Trailer Parking Lot.

An update on the Pirate Ship Playground; the materials have been produced and will be assembled within the next week or so. Once a delivery date has been determined, an email will be sent to the membership to celebrate it's arrival.

Until next year,

Taylor Eiker

Operations Report

The leaves are falling, and the cold air has arrived. November for Maintenance saw some endings and beginnings as the seasons continue changing. The Backhoe received 4 new, needed tires. Leaf removal began and the team worked hard to follow the schedule as outlined in the Newsletter. Occasional variations occurred due to either mechanical issues or weather conditions. They work hard, take pride in the job, and appreciate all the support and praise they have received from our residents. Please continue to be patient with the process as we work through the last week of the leaf removal service.

The team built the Bonfire pits placed at Lakeview's Rec Area, helping set up a successful evening with the Gettysburg Fire Department conducting a canned food drive.

Brush Pick Up has concluded for the year and our lake valve has been opened, and adjusted while information and data is being collected for future use and reference.

Access and Patrol have been working hard to ensure the Community is safe and monitored. As the weather changes and roads become slick, please be reminded to drive the posted speed limit. Also, in recent months we have had an uptick in reports of loose dogs in the neighborhood, please keep an eye out for your pets trying to get out. If you have a smart dog like mine, he always finds a way to open a door!

Recently, we have had Access attendees report members have spoken rudely to them when they are doing their job, assisting with our guests that don't necessarily know their way through our community. As the holidays approach, we will have more and more family members and guests coming to visit loved ones, please be patient should lines become longer at the front entrance.

From both myself, the Maintenance team, and the Access and Patrol team, we wish everyone a Happy holiday season and look forward to serving you in the New Year!!!

**Want to know what
Jolly Ole' Saint Nick looks forward to coming to Lake Heritage every year?
Here are his personal answers as reported to The Breeze!**

- ❖ **What's SO special about Lake Heritage is the people, and especially the children. Mrs. Claus and I get so much joy from seeing the children and listening to what they want me to bring them. Mrs. Claus and I talk about the Christmas Tree Lighting all the way back to the North Pole!**
- ❖ **I have A LOT to do on Christmas Eve as I'm in and out of all the houses in a flash! I don't have a lot of time to chat, so the children need to be asleep. Otherwise, I'll talk to them and won't get gifts delivered to all the children of the world. BUT...a little snack is always appreciated. It helps me to get everywhere I need to be. Thanks to the reindeer, we do make it in one night!**
- ❖ **My favorite Christmas song is "I'll Be Home for Christmas." After traveling around the world on Christmas Eve, it's always good to get back to the North Pole on Christmas morning and have some of Mrs. Claus' homemade cinnamon rolls and chocolate chip cookies. Speaking of chocolate chip cookies, I admit, they are my favorite snack!**
- ❖ **"The Breeze" asked me to tell you something about myself and Mrs. Claus that you probably don't know about us. My answer is most folks don't know that she and I vacation in Tahiti for two weeks every summer! Then it's back to the North Pole to get ready for my big night.**
- ❖ **Christmas is a time of joy! I don't think there's anything more joyous than to be with your family or someone you love. Mrs. Claus and I love all the children in the world. That's why I'm always SMILING!**

**A Message

I see, the happier I get.**

**Merry Christmas everyone,

Lake Heritage Helps to Support

Toys for Tots Program

Submitted by Ernie Clevinger, LH Toys for Tots Coordinator

Nationally, the Toys for Tots program began in 1947 as the brainchild of Marine Corps Reserve Major Bill Hendricks. Actually, it was his wife, Diane, who was the real inspiration. She had a few handcrafted dolls and asked Bill to deliver them to an agency that supported children in need.

When Bill reported back to his wife that he could not find such an organization, she instructed him to "start one". Major Hendricks and the Marines in his reserve unit in LA did that. They collected and distributed 5,000 toys in 1947. The program grew from that single act of kindness.

Presently, the Marine Toys for Tots Program distributes an average of 18 million toys to 7 million less fortunate children annually.

The collection for Toys for Tots began here in our Lake Heritage Community in the 1980s. Each year two boxes are placed in the Community Center. Each box holds between 50-75 toys. The majority of these toys stay within Adams County, but depending on need they can be sent to other counties within Pennsylvania.

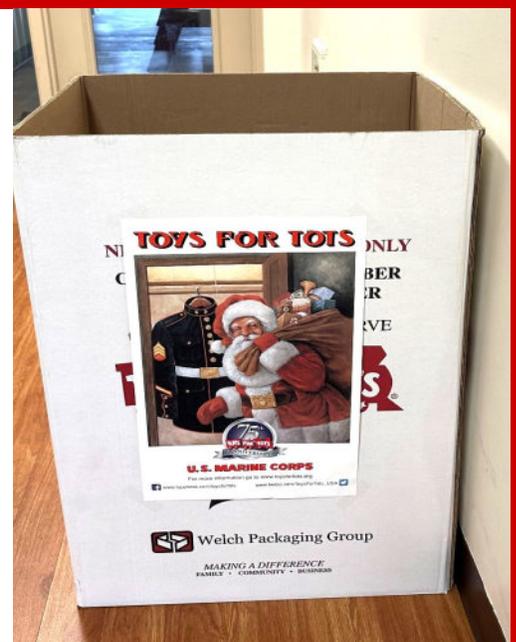

Please help the needs of less fortunate children in our area. The boxes will be available for you to drop off unwrapped toys through December 8. If you have any questions, please contact Ernie Clevinger at eclev020945@embarqmail.com or call 240-273-8608.

Thank you and I wish you all a very Merry Christmas.

The Gettysburg Soup Kitchen – Fulfilling Community Needs Year Round

Submitted by LHPOA Resident Dan Orr

The Gettysburg Community Soup Kitchen (GCSK) is fortunate to have three members of our community presently serving on its Board. Over the years we have had Lake Heritage neighbors who have also served on the Board, and we have had those who have volunteered at the Soup Kitchen. We also have many in our community whose churches have greatly helped us over the years... and neighbors who have individually assisted us financially.

Due to the increased number of guests, and limited indoor space, we have continued to serve healthy warm meals on a take-out basis only. This allows us to serve an ever-increasing number of folks. This also means that volunteer positions for serving indoors are very limited. A survey of our guests showed that they preferred taking their meals home with them, rather than sitting inside (especially since many of them have limited medical support... so sitting in an enclosed space with other guests, who may be sick and coughing, was not something they looked forward to).

This year has been a challenging year for The GCSK. Some of our guests have lost Medicaid and food stamps. As we all have experienced this year, the incredible cost of food, the increase in rent and the lack of housing has all added to the stress many of our guests feel. This led to ever increasing number of guests. Fortunately, The Soup Kitchen has been able to continue feeding those in need.

The Soup Kitchen Board would welcome any Lake Heritage folks who would like to help us meet this mission. TV and movies show many kind-hearted people going to soup kitchens and food banks, around the holiday season, to serve meals to those in need. Due to our efficient, and preferred take-home process, our greatest need continues to be financial support and donated food.

- 1) You can give financially through our website, <https://www.gettysburgsoupkitchen.org/> (using PayPal or credit card) or by sending a check to:

Gettysburg Community Soup Kitchen
PO Box 3445
Gettysburg, Pa 17325

- 2) You can also help by donating food items. On our website, we have a wish-list of needed items. Food items can be purchased locally and dropped off at the Soup Kitchen (please call to schedule your delivery, 717-334-2773).

<https://www.gettysburgsoupkitchen.org/wish-list>

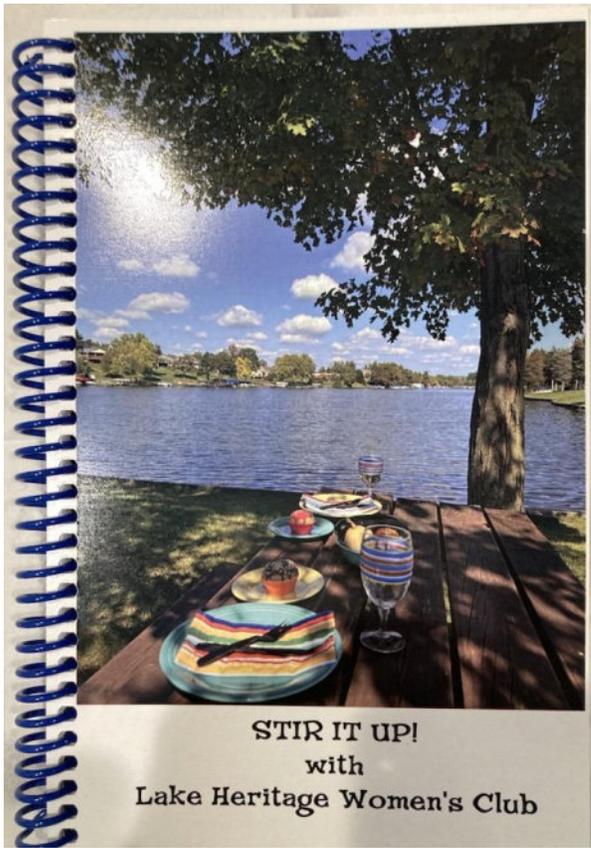

- 3) Groceries can also be ordered through Amazon and they will deliver directly to us.

I am very thankful for all that our Lake Heritage Community does, not only for The Soup Kitchen, but for all the other non-profits in our area who struggle to help others.

Autumn Leaves vs the Maintenance Team!

This was the second year our Maintenance team conducted the leaf removal service for Lake Heritage residents in the Fall.

Thank you to all the members who participated in this service this year!

As we ran into interruptions and delays with equipment issues this year, we plan to make adjustments in the off season to improve the intake of leaves for our next season.

A robust attendance of Lake Heritage residents listened intently to the information which Licensed Battlefield Guide and Lake Heritage resident John Baniszewski provided during his in-depth special presentation on November 13 at the Community Center.

John, whose thirty-year specialized career with NASA in utilization of satellite imagery with historical and modern day maps, has been a Licensed Battlefield Guide for the National Park Service for almost 20 years.

October Road Clean-up Update

Submitted by Matt Verdirame

On a rain threatening October morning a massive crew of pickers set out to make Baltimore Pike clean again. This was the third and final cleanup of the year and the pike as always needed some TLC as we picked up 11 big bags of junk, two usable hub caps, two pennies, and 2 bags of cans, but unfortunately no other good keepers.

This month's crew consisted of previous workers Ila Verdirame, Michelle Pecaitis, Gabe Pecaitis, John Turner, Lois Turner, John Spinelli, Cindy Spinelli, Bill Horgan, Dean Sprague, Beth Rugel, Eva Rugel and myself. Adding to this group were the large group of Scouts brought in by Ernie Finfrock.

With this big turnout the job was done in record time to beat the rain and Rice Krispie Treats were enjoyed by all. Thank you everyone. All Star honors go to the Scouts who totally rocked their area.

The Fishing Club has been sprucing up this two mile stretch of Route 97 for over 30 years. During those years the cleaners discovered so many incredible treasures. They have found bungees, good tools, working lighters, pocket change, and even a twenty-dollar bill. Of course, mixed in were dead creatures of many types (which they do not touch), old, ripped clothing, tire shreds, cans, bottles, straws, wrappers, bumpers, signs, and other stuff they could not identify nor did they taste very good.

We are grateful for the tenacious volunteers who continue to strive for a clean and beautiful Pennsylvania.

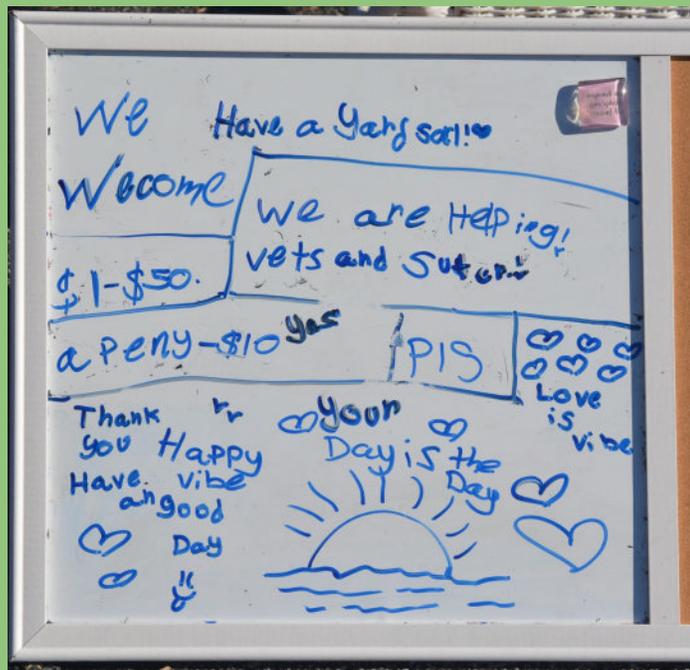

While this was our final clean-up of the year, we will be at it again next spring so if you like adventure and discovery, plan on helping us in 2024, everyone is invited. No one is turned away. Keep anything you want, and we will get rid of the rest.

TAILS FROM THE FISHING CLUB

NOVEMBER 10, 2023 MEETING

Eighty-nine members and guests - by far our largest gathering of the year - enjoyed a "Happy Thanksgiving" potluck at our monthly meeting on November 10th. The Community Center was a fall colorfest to reflect the season, with beautiful seasonal centerpieces and table settings. While turkey was the centerpiece of the potluck, there were too many traditional Thanksgiving dishes and desserts to list. Suffice it to say it was a wonderful dinner experience. Thanks to all who made the generous quantities of tasty foods for all to enjoy, and a special thanks to this month's hosts for the great evening.

President Steve Oakes ran the business meeting. His first action was to orchestrate a photo of all the veterans in attendance. The photo is a club tradition that shows our appreciation of those who served as the nation celebrates Veterans Day. Treasurer Ernie Clevinger then presented the end of October 2023 financial status (spreadsheets were at each table). He reported \$7,005.96 in funds on hand, including \$1,140.95 earmarked for the Club's Veterans Initiative. The Treasurer's report was approved by the members. Ernie reminded all he is collecting 2024 dues now.

The Secretary's report of the October 13th meeting was approved by the members. We celebrated several November birthdays (some were willing to share their age) and anniversary couples. Some celebrants were treated to pumpkin pies.

In old business: (1) Scotty Watt advised that currently, no veterans in need have been identified. If that is the case next month, we will likely recommend supporting a local non-profit that assists Veterans. Our Club policy is to "carry over" less than \$1,000 into the next calendar year. Scotty also announced he will no longer Co-Chair the Committee that oversees the Veterans Initiative. On behalf of the Club's Members, Steve Oakes expressed appreciation for Scotty's many years of assistance. (2) Ernie noted the lake's drawdown begins 20 November and that the lake appears to be in great shape. (3) Beth Bauer reminded all that the Family Dinner and Bingo Night is Friday, February 23, 2024. She will be engaging volunteers soon on soups and again asked all to begin identifying or purchasing prizes.

In new business/member input: (1) Ernie noted the "Toys for Tots" boxes will be at the Community Center until 3 December. Please consider donating to this worthy cause. (2) Agnes Reuter reviewed the upcoming Christmas Tree lighting on December 3 (5:00 to 6:00pm). The event includes snacks, gifts and a visit by Santa.

The next Fishing Club meeting is Friday, December 8th. Hosts are Beth and Bill Bauer, Susan and Mike Heller, and Linda and Larry Griffin. The theme is "Christmas Morning Brunch." Bring your favorite breakfast casserole dish!

The meeting was adjourned at 7:47 p.m

The Fishing Club is currently collecting Canned Food Donations to donate after their December 8 meeting. Donations may be dropped off at the Community Center.

Lake Heritage Women's Club News

submitted by Leslie Baker, President

The Women's Club has been busy this fall.

The Women's Club would like to thank the many men and women in our community who have served in the Armed Forces. In honor of our Veterans, Heritage Dr. was lined with American Flags to show our respect and appreciation. Thank you for your service.

We had a full house for our November meeting where we heard an interesting presentation by Bill Yeager, a local Lake resident. Bill shared a brief history of tea, its preparation and some of its health benefits. He also had on display a few James Sadler teapots from his personal collection. Thank you, Bill, for sharing your passion.

As winter approaches, the decorating 'elves' have been at it again. The front gate has transitioned from a fall theme into one celebrating the Holidays. A large crew was on hand to hang the garland, prepare the Nativity, display the Menorah and Dreidel, and decorate the trees. Although the decorations are ready, Sunday, December 3rd represents the official 'opening' when we light up the trees and welcome Santa and Mrs. Clause to the community.

Elves come in all shape, sizes, and sexes!

Thank you to all who came out to help beautify our community!

(These are just a few of our elves)

LAKE HERITAGE SKI CLUB

On Sunday, November 5th the club held its annual tradition of the **Polar Bear Ski**. With lake temperatures at just about 58 degrees, and air temperatures around 60 degrees, it proved to be a great afternoon for all the water skiers, wakeboarders, air-chair riders, and more coming out for one last season closing ride on the lake! While the initial shock of jumping into the chilly lake waters was just that, the fun of being part of the tradition and completing a run more than made-up for it! Three tow boats spent the afternoon pulling all types and ages of single and doubles water enthusiasts for several hours between 2-4 pm. I am happy to report that a good time was had by all and hopefully if you saw this courageous crew on the water, it put a smile on your face!

Our Polar Bear Ski was followed by a Ski Club meeting hosted by Jeff & Dawn Glass. Our turnout was amazing with over 65 members, and enjoyed a delicious Thanksgiving style meal, and the company of good friends. It was decided that the Ski-Club would continue to put on the following community oriented events in 2024.

- May (Point) - **Summer Kick-Off Party**
- October (Community Center) - **Halloween Party**
- Date TBD (Point): **Learn to Waterski & Wakeboard**
- Date TBD (Shady Grove): **Fundraiser/Annual Chicken BBQ**
- Regatta: **Ski Show 2024**

The Ski-Club also held annual officer elections for 2024 for President, Vice President, Treasurer and Secretary. Officers Elected or Re-elected for 2024 are:

- President - **Jeff Bristol**
- Vice President - **Barry Umbaugh**
- Treasurer - **Jeff Glass**
- Secretary - **Kristy Caywood**

A special thank you to Jeff & Dawn for their hospitality, and coordinating a wonderful meeting and dinner for the club.

Finally, on **January 1st, 2024** the Bill & Beth Caywood will host the annual **Polar Plunge!** If you feel like starting the new year out with a jolt to your system, then please feel free to come and join the festivities. More details to follow!

It has been an exciting year, and the Ski-Club is proud to be a part of the fabric and long history that makes-up Lake Heritage. The diversity of our community clubs allows something for everyone, and all add to the great quality of life that we have here at the lake! The ski club welcomes anyone interested in lake activities or who may wish to join for the social and civic aspects we offer.
