Year-end Financials (reprinted from May newsletter)
The audit for the year ending 3/31/2020 has begun. Under the COVID-19 restrictions, it is difficult to predict how long the process might take, but, as soon as the statements are available, we will post them on the portal**.**

2020-2021 Dues and Assessments (reprinted from May newsletter)
Deadlines have been extended as follows

- Payment of dues to avoid penalty period has been extended from May 1st to July 1st[t]. Dues received after July 1st will have the penalty added.
- The deadline for signing up for the Deferred Payment Plan was extended from April 1st to June 1st. In addition, the due dates for the second and third payments have been extended to August 1st and November 1st, respectively

We continue to monitor the Health Department guidelines in order to decide how to gradually re-open the office. There is no guarantee, but it appears that we may be able to re-open sometime in June once we fully understand the guidelines. In the interim, there will continue to be multiple ways to submit your payments and receive your vehicle and boat stickers:

- **Drop Boxes (Next to the Gatehouse and Community Center Entrance) -** To make use of the drop box you only need to drop in an envelope with a copy of your invoice and a check. If you include copies of the current registrations for your vehicles and powered boats, we will mail your stickers to you. The contents of the drop box are picked up by the office staff each morning.
- **US Mail -** If you mail in your information, the contents should be the same as the drop box above. As with the drop box, if you include copies of the current registrations for your vehicles and powered boats, we will mail your stickers to you. Please note that your envelope must be post marked no later than May 1, 2019.
- **Member Portal -** You can also pay through the member portal. Log in to your account and click the "Pay Now" button on the main screen. You can pay using an electronic check (ACH), credit card, and PayPal. There is a transaction fee for processing payment through the portal. An electronic check is $2.95, and CC/PayPal are a 3.75% transaction fee. You can submit vehicle registrations through the portal using resident requests. You may also email copies or pictures of your registrations to admin@lakeheritage.org.

Reminder: We need copies of your **current registrations** for your cars and powered boats to issue your stickers. We **do not** use the information submitted last year

Lawn Care
This is a friendly reminder:

- Do not use fertilizers that contain phosphorous. For those of you that use yard services, please ensure that they are using the proper fertilizers, and
- Do not leave your mower clippings on the roadways.
- Do not use the swales as a collection point for grass clippings, leaves, etc.

Your assistance with these issues is greatly appreciated.

Boating Regulations
It is that time of year again. Please familiarize yourself with the boating regulations. Patrol Boat Operators monitor the activities on the lake to enhance safety on the water. A few reminders:

- **Do:**
  - Travel in a counterclockwise direction
  - Respect the "no Wake" zones, and
  - If pulling a person or object, make sure there is a capable spotter.
- **Do Not:**
  - Stand or sit on the sides or backs of a fast-moving boat
  - Go fast after sunset
  - Propel non-powered boats against traffic outside no wake zones
  - Swim beyond the no wake buoys

2019 LHPOA Boat Stickers are valid until July 1st, the end of the non-penalty payment period. 2019 or 2020 boat stickers and lot number **must** be on your boat, including those stored in the boat parking and on canoe racks. It is to be placed anywhere from mid-point to stern of the boat/vessel.

Safety
Now that the weather is warming and the COVID-19 restrictions are relaxing, expect the kids to be out on the roadways. Please be extra careful.
The COVID-19 restrictions have resulted in more members than usual out and about the association walking, jogging, strolling babies, bike riding, etc. We always need to be conscious of driving too fast and paying attention to stop signs and pedestrians, and we need to continue to be extra careful over the next several months. Drivers, please watch your speed and be careful of the pedestrians. Walkers, please walk facing the traffic so that you can see what is happening on the road.

Work Orders for Maintenance
If you notice something that needs repair, we want to know about it. The conditions around the community are reviewed on a regular basis, but we can still use your help when you see a potential problem. To deal with problems in a systematic way, we are using a work order system and ask that you use a work order to document your findings. You will find the work order form in the Frequently Used Forms section of the website or you may pick one up at the office.

LAKE HEALTH TIPS

HOMEOWNERS CAN HELP: STORMWATER MANAGEMENT

When it rains, where does the water go? Straight into the lake! How does this rush of fast moving water impact our environment and more importantly, our lake? Not as great as you may think! How can you help mother nature balance out the water and nutrients to be where they should be for an optimal ecosystem?

Stop in the office to pick up a booklet on storm water management by PA Department of Environmental Protection. It covers why you should manage the storm water and how you can do so. It covers simple methods that help, such as rain barrels, rain gardens, pervious pavers/asphalt, and dry wells. The booklet is available for free, so you can learn how to use simple techniques on your property that have a big impact on the environment and the health of the lake!

Available in the office Monday-Friday from 9am-5pm. If you cannot get to the office during regular hours, send an email to admin@lakeheritage.org and request a copy. We can reply with the PDF version.

Enforcement: Primary enforcement of the Lake's Rules and Regulations are done by the Security staff using both the patrol boat and shoreline observations. Violations can range from a warning to fines in the range of $25 to $300 dollars. Serious violations such as operating the boat under the influence of intoxicating liquor or drugs, or children 12 and under not wearing a PFD can result in the suspension of the member's boating privileges. Please note that periodically, Waterway Conservation Officers from the Pennsylvania Fish and Boat Commission are on the Lake to ensure safe boating practices and compliance with all PA boating and fishing regulations.

It is the member or boat operator's responsibility to read and comply with ALL Lake Heritage Boating Regulations as outlined in Article XI. This document only highlights certain requirements and responsibilities. It is also recommended that you read the ***Pennsylvania Boating Handbook*** which is available at Community Center Office.

Thank you for Safe Boating!

LHPOA LAKE SWIMMING

Due to Covid-19 there is a very good chance that our pool opening will be delayed. On hot days many of us might want to cool off in the lake. If you choose to do this, you should keep the following in mind:

- **Lake swimming is At Your Own Risk!** There are no lifeguards. Parents must accompany their children.
- **Keep aware of Lake water quality conditions**. These will be posted by the guardhouse and Office. If they say no swimming it means no swimming! If you don't like the way the water looks, don't get in it.
- **Wear Water Socks/Shoes**: There are many sharp rocks below the surface. Protect your feet.
- **No Swimming within 10 feet of the spillway**.
- **Stay close to shore**. Keep away from boat traffic.
- **No swimming off the dam**.

None of us like the restrictions being placed on us because of Covid-19. Summer is the best time of year at Lake Heritage so let's all stay safe and healthy.

COMMITTEE REPORTS

COMMUNICATION & NEWSLETTER COMMITTEE

Trying to put together either an in person or virtual meeting with the Board of Directors soon to answer their concerns about the Lake Heritage Official Facebook page. We also need a meeting with Stephane Ecker to discuss the newsletter to determine who will be responsible for what. Also pending for the committee is the Membership survey.

Any member who would like to work with us on these or other projects please contact me at **pvogel@lakeheritage.org.**

SAFETY & SECURITY COMMITTEE

The Safety and Security Committee held a remote GoToMeeting on Wednesday May 20, 2020.

A report associated with this meeting will be submitted at the June 10, 2020 BOD meeting.

The next Safety and Security Committee meeting is scheduled for Wednesday June 17, 2020 @ 1 pm. Venue of meeting to be determined regarding in-person or remote.

STRATEGIC PLANNING COMMITTEE

The SPC met virtually on May 7 at 6 PM. The meeting was essentially a one agenda item meeting: we continued to revise the Strategic Plan. To date, we have completed the update of Objective 2 and started on Objective 1. At the meeting on 5-7, we looked at the revision of Objective 1 submitted by Betsy Meyer and Mike Hanson, and we continued to work on this.

We also discussed SPC members attending LHPOA committee meetings and advocating for the Strategic Plan.

Our next meeting, Thursday, June 4 6PM, will hopefully be in person at the Community Center, but if not, we will meet virtually using go-to-meeting.

GOVERNANCE COMMITTEE

Virtual meetings of the Governance Committee were held April 28, May 5 and May 21. The committee is close to completing a side by side comparison of proposed changes and the current Rules and Regulations. We are revisiting the revisions to identify significant changes and to ensure clarity of the revisions. We plan to have a critical analysis review group go over our work prior to presentation to the LHPOA attorney, directors and community. The committee has also identified revisions that could affect use of the lake, and per the Bylaws Article IV, Section 13 (d) these changes may require a referendum. The committee will be seeking the LHPOA attorney's advice on this. We will continue to meet twice monthly; our next meeting is June 2, in the large room at the Community Center at 1 PM.

LH FISHING CLUB

Based on our current status regarding the Covid-19, Governor Wolff's guidelines and concerns from the Pancake Breakfast committee working together I have decided to cancel the July 4th event. I have received recommendations that we postpone this event and if restrictions allow us to reschedule this fundraiser we will do so. I am in favor of rescheduling this event to a later date this year pending the lifting of the current 25 group gathering to a larger one.

Best Regards,
Steve Oakes

LH KID'S CLUB

Greetings from the Kids Club! After careful consideration, we have decided to continue to postpone our scheduled club activities as our county moves into the yellow phase of quarantine. This is due to the unique challenges of getting small children to maintain social distancing practices as well as the large size of the crowd our first and only club event attracted. Therefore, our summer solstice potluck and the pool party originally scheduled for June will not be held. That being said, we understand that there may be some kids and families in our community that really need some friendship and social interaction these days. The Kids Club Facebook group is a great place for families to arrange for small-group or two-family playdates, either virtual or face-to-face with social distancing, as families are comfortable. Please join us at **www.facebook.com/groups/LakeHeritageKidsClub** or contact **glover.rachel@gmail.com** for more information.

LH WOMEN'S CLUB

The annual plant sale was cancelled due to the coronavirus restrictions, but several ladies held a "drive-in" on Saturday, May 2, to sell gift certificates to Auker's Greenhouse. These certificates would have been in addition to the plant sale to help us with our fundraising. Since we already had the Shady Grove pavilion reserved, we took advantage of the beautiful sunny day to sell the certificates. Agnes Reuter, Lorraine Edwards, Charlotte Gary, and Karen Reed used social distancing practices to exchange certificates and payments through car windows using baskets standing arm's length away from the customers. Agnes danced and waved signs at the entry to the drive into Shady Grove to direct drivers to the ladies selling the certificates. It was a very rewarding fundraiser and proceeds will go to the college scholarships the Women's Club awards each June to local high school graduates.

When Adams County moves to the yellow phase for coronavirus restrictions, we do not plan to meet in June. Watch for news of our July meeting plans.

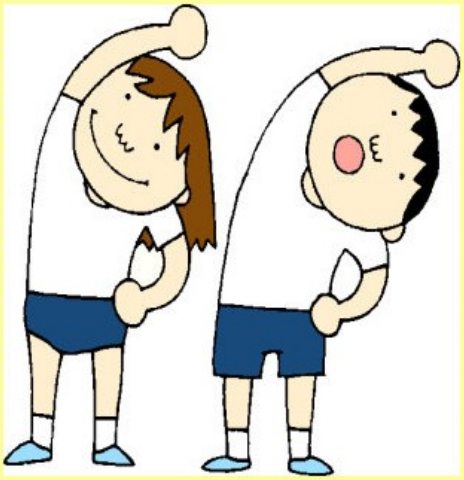
LH Swim Club

Hope everyone is safe and avoided the Coronavirus. Please stay that way. Our FUNnFITNESS classes have been canceled until further notice in order to avoid gatherings and keeping social distancing. We hope to begin once again when the pool opens, and the water warms a bit.



The LH SWIM CLUB name has changed and is now LH LAND AND WATER FITNESS CLUB. We requested that change (approved by the LHPOA BOARD) because for nine months each year we are inside for a low impact dry land program and only in the pool for two to three months during the summer months. The Swim Club name we felt was misleading hence our name change to try to encourage more community participation.

We will provide further information in the July LH NEWS as the pool opens.

Our FUNnFITNESS programs work all parts of the body from head (we work concentration and focus) to the toes and all parts in between. We do not require you to do anything that makes you uncomfortable and will adapt all of our routines to your comfort level. We work on the core and upper body strength, as well as hand eye coordination and balance. All this and it is **FREE**!

Please join us Monday's and Wednesday's in the Community Center from 10 to 11 am when the pool is closed. In the summer when the pool is open, we add Friday's as well.

Come join and have FUN while getting and staying fit!
All fitness levels can join.
